Comments on IL (going one at a time, due to file sizes being too big to speed through new workplace remote access). usual reasons for edits.

Subject: Steubenville SO2 TSD

Hi Scott,

Please take a look at the below statement. This statement is included in all of the SO2 TSDs in the "Summary" section on page 1.

Ex. 5 - Deliberative Process Privilege

I'm also including the Steubenville NAA TSD for your review.

This language is included in all of the TSDs as general text; therefore, If we make any changes I would need to notify all of the regions (that have TSDs) by COB today.
